

NSW Theatrical Agents

August 2024

MEAA advises that this document is produced for information purposes only and as a matter of policy does not recommend or endorse individual agencies. In NSW, agents are regulated by the Entertainment Industry Act 2013. The regulations set out the obligations of agents, managers and venue consultants (booking agencies) in NSW, including what level of commission can be taken, if joining fees can be charged, and the provision of trust accounts, amongst other things.

The NSW Department of Fair Trading administers the Act. It also accepts and reviews complaints about agents, managers or venue owners.
